MISSION STATEMENT

The purpose of the Newark Community Project for People With AIDS is to foster the humane treatment and care of people with AIDS and ARC and to work to prevent the spread of the disease. Through cooperative efforts with existing service providers, other organizations, and individuals, the organization will focus on:

1. Helping to create a better understanding of HIV infection within the community;
2. Diminishing the isolation of the affected population; and,
3. Raising funds to enhance current services and develop new programs.

Recommended project priorities:

1. Emergency fund for people with AIDS (PWA) to be used for such needs as legal assistance, rent, food, etc.
2. Volunteers to work with PWA's which may include recreation events and individual advocacy.
3. Support for Hyacinth Foundation Activities.
4. Help to educate community on need for hospice(s) in Newark.
5. Cooperative education/prevention efforts in conjunction with other organizations.
6. Broad dissemination of relevant information.
